

Brukner Nature Center's Senior Scientist

Let us visit with your residents and introduce them to our Wildlife Ambassadors!

The Senior Scientist program is a series of monthly wildlife programs that include hands-on activities, exciting multi-media presentations, storytelling, and more.

A Brukner Nature Center Naturalist travels to your center to share an information-packed hour of fun and learning with your seniors. Programs include one or more of our Wildlife Ambassadors - (ranging anywhere from a toad to a red-tailed hawk!).

The Senior Scientist program is available year round with a different topic featured each month. Programs can be scheduled monthly for the entire year or on a month to month basis and can be scheduled for morning or afternoon.

The topics for 2020 are:

January	Animal Myths
February.....	Month of Love
March	Predator vs. Prey
April.....	Birding Basics
May	Ohio's Wildlife
June	Squirrels
July.....	Nose Knows
August.....	Insects & Insectivores
September	Forest Animals
October	Shake your Bones
November	Turkey Talk
December	Hawks vs. Owls

**The cost for each program is \$65.00
with a transportation fee of \$.50 per mile.**

If interested in scheduling a program for your facility,
